ADEKA CORPORATION and ADEKA (SHANGHAI) CO., LTD. join Chinaplas every year. This show, which marks the 30th in this year, has become one of the biggest and the most important fairs in the plastics and rubber industry. In this fair, we will show our strength - high quality products and technical service - to the Chinese market.

With our high quality and environmental friendly polymer additives, we contribute to supply fine plastic products all over the world.

We are looking forward to seeing you at our stand.
