Editorial Policy

We publish the ADEKA Group CSR Report every year to communicate information to our diverse group of stakeholders about our corporate activities and future direction, as we strive toward a sustainable future hand in hand with society. The ADEKA Group CSR Report 2017 focuses on matters of particular significance from the numerous initiatives undertaken in fiscal 2016.

Details about environment-related initiatives are also available on the CSR section of our website. Going forward, in order to draw up reports that are easy to understand for all our stakeholders, we welcome your candid feedback and opinions using the questionnaire enclosed at the end of this report.

About the Sustainable Development Goals (SDGs)

The SDGs were adopted in September 2015 at the United Nations (UN) summit on sustainable development. They were incorporated into “Agenda 2030” as 17 Goals and 169 Targets that should be attained by 2030. All United Nations (UN) member countries will strive to address these themes between 2016 and 2030 through public and private sector collaboration. Please see page 11 for the SDGs that are relevant to ADEKA Group operations.
