ADEKA CORPORATION

## **Certified for the First Time as a “2025 KENKO Investment for Health Outstanding Organization (Large Enterprise Category) *White 500*”**

ADEKA CORPORATION (President and Chief Executive Officer, Representative Director: Hidetaka Shirozume) was certified as a “2025 KENKO Investment for Health Outstanding Organization (Large Enterprise Category) *White 500*” under the Certified KENKO Investment for Health Outstanding Organizations Recognition Program as selected by the Ministry of Economy, Trade and Industry (METI) and Nippon Kenko Kaigi (Japan Health Council).

This program recognizes companies that consider employee health management from a managerial perspective and engage in strategic health promotion. We had been recognized as a “KENKO Investment for Health (Large Company Division)” for four consecutive years since 2021, and recently we were recognized for the first time as a *White 500*, which is one of the top 500 corporations.

ADEKA Group promotes Health Management as part of Human Rights and Human Resources among our’s Sustainability Priority Issues\*. Based on the “ADEKA Group Health Management Declaration” declared in 2021, we aim to improve productivity through the constant performance of our employees by maintaining and improving their health and workplace environment.

ADEKA Group is committed to maximizing corporate value by actively promoting health management based on the idea of “each and every employee is an important asset to the company”.

\* Priority issues (four priority areas and seven priority issues) identified based on their importance to the ADEKA Group’s stakeholders and to our business.
